Welcome back to William Edwards. After having a few disrupted years, we are looking forward to returning to 'normal', with sports fixtures, clubs before and after school and a new Student Voice team working harder than ever to give each of you a say in what happens at school. So far this term, the Student Executive have been working closely with Miss Pooley to create teams of people that represent every aspect of school life; and they are open for you to join as well! Look out for the posters around the school and in your tutors for more information about all of these groups and have your voice heard! - Elizabeth N
