School Ethos

William Edwards School recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

In our school we :

- monitor and review our Anti Bullying Policy on a regular basis (at least annually, and in light of any national / local influences);
- support staff to promote and model positive relationships to help prevent bullying;
- recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include pupils with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required;
- will intervene by identifying and tackling bullying behaviour appropriately and promptly;
- ensure that our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti bullying policy;
- require all members of the school community to work with the school to uphold the anti bullying policy;
- recognise the potential impact on the wider family of those affected by bullying, so will work in partnership with parents / carers regarding all reported bullying concerns, and will seek to keep them informed at all stages;
- will deal promptly with grievances regarding the school response to bullying in line with our Complaints Policy;
- seek to learn from good anti bullying practice elsewhere;
- utilise support from the <>Local Authority and other relevant organisations when appropriate

Responding to bullying :

The following steps may be taken when dealing with all incidents of bullying reported to the school :

- The member of staff who has witnessed the incident or heard the disclosure will log the matter on CPOMs under the heading 'alleged bullying';
- The school will provide appropriate support for the person allegedly being bullied – making sure they are not at risk of immediate harm, and involving them in any decision making as appropriate;

- The Vulnerables Team will speak with / inform other members of staff where appropriate;

- Sanctions, as identified within the school's Behaviour Policy, and support, will be implemented in consultation with all parties concerned;
- If necessary, other agencies (such as MASH or assigned social workers) may be consulted or involved, if a child is felt to be at risk of significant harm;
- Where the bullying of or by pupils takes place away from the school site or outside of normal school hours (including cyber bullying), the school will endeavour to fully investigate the concern, and if appropriate the DSL/DDSL will collaborate with other schools;
- A clear and precise account of alleged bullying incidents / outcomes that confirm bullying will be recorded by the school on CPOMs – this will include recording appropriate details regarding decisions and action taken.

- Provide information to staff and pupils regarding steps they can take to protect themselves online, such as advising those targeted to avoid retaliating or replying, providing advice on blocking or removing people from contact lists, and helping those involved to think carefully about what private information they may have in the public domain.

Pupils who have been bullied will be supported by :
