

## Meet the Careers Adviser

### Who am I?

My name is Debbie Doyle, and I am the L6 Qualified Careers Guidance Practitioner at William Edwards school. I provide impartial, independent advice and guidance, allowing young people to come to their own decisions rather than making up their minds for them and I will be speaking to you in year 11 on a one-to-one basis about what you would like to do after you leave school. I will help you make realistic choices about education, training and work by listening to your ideas, discussing your interests and skills, and providing information on different jobs. In addition, I will be working with lower years, providing group work sessions and attending events.

### Where can you find me?

You will be meeting me in the Careers Office opposite room S16. But your tutor will tell you when and where our career meeting will be and you will also get an appointment slip on the day of the interview.

### About me

I have an excellent understanding of young people like you. I recognise each young person as an individual with strengths and talents.

We will use creative techniques to help you fully unlock your potential, both in the world of work and in everyday life.

I am looking forward to meeting you and to hearing your stories, dreams and aspirations.
