

## Higher Education Information

### Discover University

This is the official source of information and guidance on higher education in the UK. The site allows users to search for and compare information and data for individual undergraduate courses across the UK, alongside researching other sources of advice they may need such as application and funding information.

### UNIVERSITY GUIDANCE - Watch university guidance videos

Please take a moment to browse the new university guidance webinar hub, where students and school groups can watch webinars ranging from an introduction to university courses in Accounting through to Veterinary Science. As well as hundreds of subjects in between – delivered by experts at universities UK wide.

<https://www.unitasterdays.com/ondemand>

These videos have one key aim. To support students who are considering university to make informed future decisions. They feature guest speakers from a range of different universities, who are always experts in the subject they are speaking about.

The content is always impartial and topics range from the general content students will find useful – like how to write personal statements, student finance, UCAS applications and more.

These subject videos introduce studying a range of different subjects at university. We cover reasons to consider the subject, what to expect when studying it, a guide to future career opportunities and even application tips. From Accounting to Veterinary Medicine - and 100's of subjects in between.
