T-levels <https://amazingapprenticeships.com/t-levels/>

T Levels are a brand-new qualification choice that will follow GCSEs and give students a head start towards the career they want.

They will suit students who wish to start working towards a skilled occupation, prefer a practical approach to learning and want a predominantly classroom-based course.

T-Levels are the emerging technical qualification available for post 16 study. By clicking this link you can access a short 6 minute information film and some other quick read resources.

We strongly recommend that you watch this with you child whilst you are planning post 16 progression routes. If you require any further assistance regarding all matters concerning post 16 progression please contact Mrs Doyle on doyled@wes.swecet.org.

Traineeships <https://amazingapprenticeships.com/traineeships/>

Traineeships are a brilliant way to gain experience and confidence, helping you to take the next step into an apprenticeship, work or study.

A Traineeship is a fully-funded education and training programme for 16-24* year olds (*25 year olds with an Education, Health and Care Plan) to build employability skills and gain valuable sector-based experience through a work placement. Offered throughout England, trainees are supported by training providers working with local employers through fun and engaging programmes that will help you reach your future goals.

Apprenticeships <https://amazingapprenticeships.com/apprenticeships/>

Apprenticeships are real jobs with real employers, allowing you to work, earn a salary and gain valuable qualifications and experience. With over 600 different apprenticeship standards covering everything from accountancy to zoo keeping, there is an apprenticeship out there for everyone. Apprenticeships offer choice, opportunity, qualifications, support and a head start into a future career.
