

## National Apprenticeship Week resources for subjects

<https://amazingapprenticeships.com/subject-led-bundles/>

## ESSEX CAREERS HUB 'WHERE NEXT?' FLIPBOOK

<https://greateressexcareershub.co.uk/flipbook/where-next/index.html>

An excellent overview of the UK job market for young people and their parents. This resource looks at each job field and links it to subjects taken in education. There are also summaries of the post 16 qualification and progression pathways, along with information about employability skills.

### **Subjects and Apprenticeships**

It is National Apprenticeship week and we should be promoting Apprenticeships to all of our pupils as part of our careers strategy.

There are twelve one minute presentations rather than videos that link subjects to specific career and industry related apprenticeships.

They are very informative

Here is the link - [Apprenticeship films](#)

### **What GCSEs should I take to become a... ?**

<https://www.bbc.co.uk/bitesize/articles/zmskpg8>

Scroll down the article and use the information to enable the learners to complete the task below.

- Research how many GCSE's and A-Levels they would need to for up to 5 of the professions listed.
